

Dan, I Need a Job!

Send me your **Resume**,
LinkedIn URL, a summary of
your **career goals**, and a role
you'd like to apply for.

Join the workshop, **answer
rapid-fire questions** about your
career history, ambitions, and
hidden skills.

I will provide instructions on
how to **tailor your resume** for the
various roles you'll apply for.

I got you!

Book a **90-minute** workshop
via Calendly and process
the payment via Stripe
in the same moment.

Watch your new resume come
together on your screen in
real-time, as we capture your
narrative in a way that is **flattering,**
accurate, and easily understood
by technical & non-technical
decision-makers.

Receive a first draft, evaluate it,
share tweaks and adjustments
and receive the **final version**.

Go **chase your dreams** and
let's keep in touch!

100% Worth It!
